Denials due to lack of referrals are considered patient responsibility. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. If we have to reprocess your claim for any reason, you may be responsible for amount due until your claim is successfully processed. Balances extending more than 90 days will result in a halt of your account until issues resolved on your previous claim(s).

* **Nonpayment:** Please understand that payment is an integral part of your treatment. If your account is over 30 days past invoice date, interest will incur (1.5%) minimum \$2 daily and your credit card on file will be used. If a balance remains unpaid more than 45 days, your account will be sent to a collection agency and you may be discharged from the practice. In the event that Mays Dermatology refers your account to a collection agency, you understand that you are responsible for and agree to pay all fees, collection fees and legal fees, incurred with settlement of your delinquent account

* **Minor patients:** Minor patients MUST be accompanied by a parent or legal guardian.
